RENTAL OWNER CONTACT INFORMATION

It is important that we be able to contact you in the event of an emergency or disturbance issues at your rented property. It is not our job to supervise your property for you. If an issue arises and we do not have your contact information, we will have no recourse other than to alert the appropriate police agency. The Association should have a contact person within Thirty (30) minutes of the Peninsula, whether it be you or another contact person.

Please send the following information to the Association at longlakepa@gmail.com

Include:

- Your name
- Your Peninsula Address
- Your phone number and email
- Alternate emergency number

We have found that most incidents and issues arise on the evening and the weekends when many of us are away, out on the lake or entertaining our own guests. Please be proactive in screening and educating tenants to avoid problems. Be sure you leave emergency numbers for the sheriff, tree services, plumber, etc. for your tenants. Also, the key to the boat launch is to be used only by tenants and not the guests of your tenants.

You are responsible for the safe-keeping of the key.
